To Whom It May Concern,

Subject: Support SCDAC - Make a Difference Today!

I hope this letter finds you well. I am writing to you on behalf of Southern California Deaf Anglers Club, a nonprofit organization dedicated to making fishing and angling accessible to individuals who are deaf or hard of hearing and uses American Sign Language. Our mission is to provide a safe and inclusive environment where Deaf and hard of hearing people, including child of deaf adults (CODA) can enjoy the therapeutic benefits of fishing, connect with nature, and build a sense of community.

We believe that everyone should have the opportunity to experience the joy of fishing, regardless of their abilities. Through our programs and events, we offer fishing trips, lessons, equipment, and support to Deaf and hard of hearing individuals, helping them develop skills, confidence, and a love for the outdoors, including a trip by Friends of Rollo for the Deaf children.

However, we need your support to continue our important work. Your donation can make a real difference in the lives of those we serve. Your contribution will help us purchase fishing gear, organize events, and provide educational resources to promote angling among the deaf community.

Please consider making a donation to SCDAC today. Together, we can make fishing more accessible and enjoyable for everyone. Thank you for your generosity and support.

Sincerely,

Scott Hostetler
